

SCHOOL DISTRICT	APPLICATION NUMBER
COUNTY	DATE SITE READY FOR DELIVERY
SCHOOL NAME	NUMBER OF BUILDINGS
ADDRESS	

State Relocatable Classrooms cannot be delivered and/or installed by the building manufacturer until verification of site readiness has been confirmed. Division of the State Architect approved site plans must be attached to this Form before delivery and installation can be scheduled.

Submit to:      Office of Public School Construction  
                    State Relocatable Classroom Program  
                    1130 K Street, Suite 400  
                    Sacramento, CA 95814

I, \_\_\_\_\_, the District Representative of the above named School District, do hereby certify that the following site conditions have been met:

1. The District has prepared a location on the school site that is cleared and graded. The elevation of the 30' × 50' pad is graded within 9" of level in any direction with a minimum of two feet between each building.
2. Each building pad site has a minimum soil bearing capacity of 1,000 pounds per square foot and the location allows for maneuvering space for the entry, turnaround and exit of a large truck and trailer.
3. Each pad is at least 30' × 50', turf-free with adequate drainage.

The District will furnish a hard surfaced walkway in compliance with Title 21, Chapter 1, Subchapter 2, of the California Administrative Code, "Access to Public Buildings by Physically Handicapped Person".
